Social Media Posting Agreement For Adults Cub Scout Pack 720 Viera, FL

I have read, understood, and am committed to upholding the BSA social media policies found here:
<https://scoutingwire.org/marketing-and-membership-hub/social-media/social-media-guidelines/>. Y/N (circle one)

I have been sufficiently trained in how to set up a WordPress account and understand how to post blog entries and edit content on the <http://www.pack720.org/> website and how to promote posted content via social media outlets. Y/N (circle one)

I have been sufficiently trained in how to set up a Facebook account and how to post and edit postings on the Pack 720 Facebook page: <https://www.facebook.com/CubScoutPack720/> Y/N (circle one)

- I will follow the basic rules of the internet and ensure that all posts are reflective of the scout oath and law and will not post anything that will be harmful to my reputation, the pack, or the BSA. Furthermore, I will not participate in any activity such as trolling, participating in a flame war, or post any incendiary comments.
- I also acknowledge our social media posting policy in that I will only post pictures of scouts who have a signed media release waiver on file, recorded in <http://www.scouttrack.com/> and will blur or crop out any scout who does not. I also acknowledge that if any parent wishes to remove their images, I will do so as soon as I am able and contact the parent once the removal is completed.
- I will never post photos of youth during events but will wait at least 48 hours after the event to post photos of youth.
- I will never post the names, addresses, or any personally identifiable information about any of the youth, family, or leaders of the pack.
- I understand that some information may be sensitive or private, and I will ensure that anything I post does not violate the privacy or trust of any individual or organization which I represent.
- I also understand that posting on the internet can at times elicit negative comments, and I will handle these comments per the social media guidelines and attempt to diffuse the situation and not cover it up.

By signing below I acknowledge I have received the training listed above, will abide by these rules set within, and understand that posting and access privileges to the website and Facebook may be revoked at any time by the Pack 720 leadership for any reason.
